

ENGINEERING GROUP

# Replacement Canmatic™ Parts

**K2 Engineering Group offers a complete rebuild exchange program...**

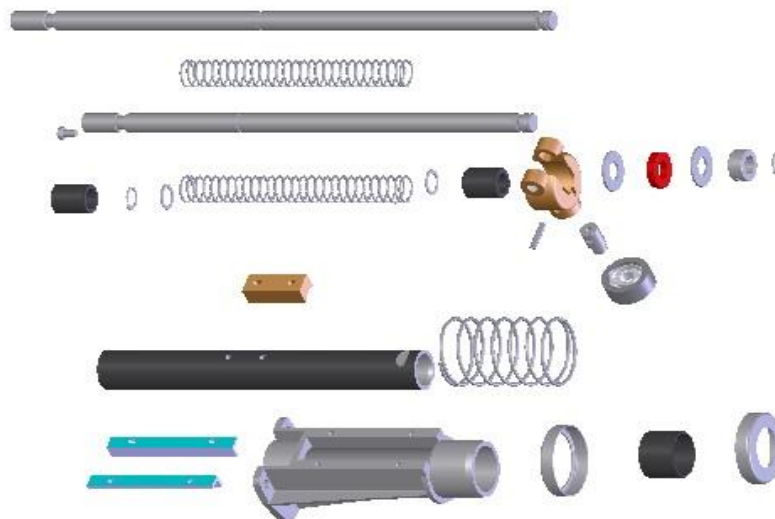

**We will send you a K2 Aluminum Billet Centering Head/s to your facility, where you can then place them on the machine and ship your old cores back to K2 in the same box as the new units arrived in.**

**Yes, it's that simple!**

***Not looking for a complete Centering Head...***

**We provide the individual parts for this assembly in case you are looking to do the rebuilds yourself.**

**Not sure what part number to order, well we are able to cross-reference your OEM's part numbers.**

**Give us a call today and we will be sure to meet all your parts needs!!**

**Visit us at [www.k2egroup.com](http://www.k2egroup.com)**
